

**M-Flex: A Brand Trusted by
Chimney Professionals and
Homeowners for More Than
20 Years!**

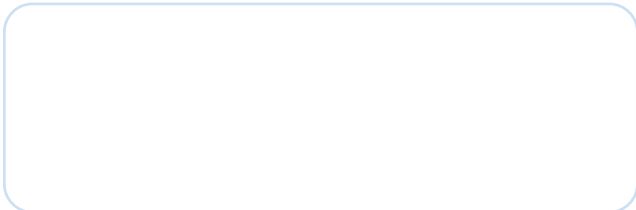

Now Chimney Professionals and Homeowners can choose between two types of Pre-Insulated Chimney Liners:

1. Our new Aluminum Outer w/Stainless Steel inner liner is priced lower and is lighter weight than Stainless Steel.

2. 2 XU WUDGLWLRQDO 6 WDLQOHVV 6 WHH Available with a Stainless Steel Inner & outer liner or a Stainless Steel inner with an Aluminum outer liner.
